Professional Summary

A visionary Creative Designer with over 12 years of experience in interior and aesthetic design, specializing in high-end residential, commercial, and luxury space transformations. Passionate about blending artistry with functionality to create breathtaking spaces. As the Founder & CEO of Marmareen.com, I lead a team dedicated to innovation and excellence in creative design. Always open to collaborations, knowledge-sharing, and inspiring projects.

Work Experience

www.marmareen.com – London, UK

Founder & CEO | Creative Director (2018 – Present)

- Established and scaled Marmareen.com, a premier creative design agency specializing in interior design and branding aesthetics.
- Led multi-disciplinary teams in delivering bespoke design solutions for luxury clients, commercial spaces, and high-end residential projects.
- Oversaw all brand strategy, creative direction, and project execution, ensuring top-tier quality and innovative design concepts.
- Worked with international clients to create unique, functional, and artistic environments.

Foster + Partners – London, UK

Senior Interior Designer (2015 – 2018)

- Spearheaded high-profile architectural interior projects, ensuring seamless integration of functionality and aesthetics.
- Collaborated with renowned architects and designers to create modern, sustainable, and sophisticated interiors.
- Led concept development, material selection, and spatial planning for corporate, hospitality, and residential projects.

Kelly Hoppen Interiors – London, UK

Interior Designer (2012 – 2015)

- Designed and executed luxury interior spaces, focusing on minimalist yet elegant aesthetics.
- Worked closely with high-net-worth clients, translating their visions into exquisite, customized interiors.
- Conducted research on global design trends, enhancing the studio's innovative approach to modern design.

David Collins Studio – London, UK

Junior Interior Designer (2010 – 2012)

- Assisted in concept development and design execution for premium hospitality and retail interiors.
- Provided technical support in 3D modeling, space planning, and material selection.
- Contributed to award-winning projects, refining a keen eye for detail and precision.

Education

Royal College of Art – London, UK

Master's in Interior Design (2008 – 2010)

University of the Arts London – Chelsea College of Arts, UK

Bachelor's in Interior & Spatial Design (2005 – 2008)
